

THE CAPITAL OF HANSÁG: KAPUVÁR

Attractive opportunity for investors

Kapuvár lies in the centre of Győr-Moson-Sopron county, 15 km from the Austrian border, 90 km from the international airports of Schwechat and Bratislava, and 62 km from the airport of Péter, near Győr.

The Kapuvári Ipari Park Kft. (Kapuvár Industrial Park Ltd.) gained the right to use the qualified title of Industrial Park in 2000.

The industrial park is fully equipped with public utilities, with pipelined gas, drinking water pipeline network, established sewage water system, asphalted road network and public lighting.

Currently an area of 3 hectares owned by the municipality is available for developments.

A further area of 39 hectares is also available next to the park, which is currently under agricultural production, in private property.
